

# Summer Survivor Challenge

[www.PreparednessMama.com](http://www.PreparednessMama.com)

The Summer Survivor Challenge is designed to test your preparedness knowledge and skills while pushing you outside your comfort zone to strengthen your overall family preparedness.

## Are you up to the Challenge?

Task	Date Scheduled	Reward	Date Completed
Home safety scavenger hunt			
Build a chuck box			
Go camping at _____			
Have a pioneer week/ weekend			
Have a fire drill			
Have an earthquake/ tsunami drill			
Plant a garden			
Make a solar oven and make something in it.			
Have a meal that is cooked with no power (solar oven doesn't count)			
Create an emergency plan			
Create an information binder			
Have a kit night (live off your kit for a night/ weekend. Wear the clothes, eat the food, use the flashlights, hopefully you packed entertainment). If you don't have one plan what you need and schedule when you purchase each item and assemble them.
